

Ambedkar University Delhi  
School of Human Ecology  
PhD Programme in Human Ecology

**INSTRUCTIONS FOR CANDIDATES FOR THE ENTRANCE TEST 2021-22**

**INFORMATION RELATED TO THE ENTRANCE TEST**

1. The duration of the exam will be for 02 (two) hours.
2. The exam will consist of Multiple Choice Questions and Subjective Questions.
3. The syllabus of the exam will include General Awareness, Research Methodology, Numerical Ability, Environmental Science and Human Ecology.
4. As per Clause 8.1 of AUD Research Studies Regulations, 2021, the syllabus of the entrance test shall consist of 50% of research methodology and 50% shall be subject-specific.
5. **The subjective part of the Entrance Test will be based on the reading package that has been uploaded on the university admissions website.**

**INFORMATION RELATED TO THE READING PACKAGE**

1. The Reading Package consists of four (04) readings.
2. Paper 1 (Shukla et al 2019) and Paper 2 (Sugden et al 2017) belong to the Social Sciences reading package. Paper 3 (Pinsky et al 2022) and Paper 4 (Drunen & Johnson 2022) belong to the Natural Sciences reading package.
3. Candidates are expected to answer questions related to **either** the Social Sciences reading package **or** the Natural Sciences reading package. Please do not answer questions from both reading packages simultaneously.
4. Candidates may be allowed to carry **only** the reading package (without any handwritten, underlined/highlighted or typed material) to the examination center for the Entrance Test, after due verification. You are expected to read and analyze the readings **prior to the exam.**
